Children's furniture

Wooden cots, cradles and playpens from
Polish wood

www.skrzatmeble.pl

We make dreams of your child's first cot come true

For over 20 years we have manufactured wooden baby furniture in Iława for parents across Poland and Europe. We are a Polish maker of baby cots and youth beds.

We offer ergonomic, functional furniture in a stylish form. Our pieces are solid and durable and meet strict EU standards. They are made of Polish wood and finished with certified water-based paints — safe even for teething babies.
