ABOUT US

Making dreams of a first cot come true

For more than 20 years, in Iława, we have been designing and manufacturing wooden furniture for the very youngest — cots, playpens and cradles that find their way to families in Poland and across Europe.

JULIA · CASHMERE

20+

YEARS OF EXPERIENCE IN MAKING CHILDREN'S FURNITURE

We are a Polish manufacturer. We run the entire process — from cutting the timber to packing — in our own factory, so we stay in control of the quality of every detail and respond flexibly to the needs of our trade partners.

Our furniture is ergonomic, functional and timeless in form. It is made from Polish wood, finished with certified water-based paints and designed to meet stringent European Union standards.

● MADE IN POLAND

WHAT SETS US APART

01 **Polish wood**
A natural, durable material — the foundation of every piece we make.

02 **Water-based paints**
A certified, safe finish — suitable for teething little ones, too.

03 **Safety standards**
Our cots are designed and manufactured in line with the EN 716 standard.

04 **Over 20 years**
Two decades of specialising in furniture for the very youngest.

05 **Under one roof**
From cutting to packing — modern machinery and full quality control.

06 **A partner to the trade**
Exports across Europe, made-to-order and private-label manufacturing.

Ovi 3-in-1

A cot that grows with your child

The wooden OVI 3-in-1 cot brings together functionality, aesthetics and safety. Its rounded shape looks beautiful in any interior, while the solid Polish-wood construction ensures durability.

Three functions in one piece of furniture: a round mini cot for a newborn, a 140 × 70 cm cot for children up to 3 years, and a toddler bed with a low side — up to the age of 5. It converts without tools and without buying any extra parts.

OVAL COT | NEW

Chloe

Two sizes · pictured: *cashmere · 140 × 70 cm*

Chloe is an oval cot with a calm, soft line. Solid, rounded end panels gently embrace the mattress, while even, flat slats give it a timeless character.

One design in two sizes: the larger 140 × 70 cm for longer use and the classic 120 × 60 cm, which also fits a smaller room. As your child grows, the cot converts into a toddler bed. Chloe is made from Polish wood and finished with safe water-based paint.

SIZES

Two sizes, one design

Chloe 140 × 70 and 120 × 60 cm share the same solid end panels and flat slats. Both sizes convert into a toddler bed with a low toddler rail.

OVAL COT

Klara

Two sizes · pictured: *walnut · 140 × 70 cm*

Klara is an oval cot with a gentle, soft line — no sharp corners. Rounded slatted end panels softly embrace the mattress, and its calm form suits both modern and classic interiors.

Choose from two sizes: 120 × 60 or the larger 140 × 70 cm. The base can be set at three heights, and as your child grows, the cot converts into a toddler bed. Klara is made from Polish wood and finished with safe water-based paint.

Gala

With or without a drawer · pictured: *walnut · with drawer*

Gala is a classic cot with softly profiled end panels and a solid construction. Rounded edges and a base adjustable to three heights ensure comfort from the very first days.

Two versions to choose from: with a roomy drawer for bedding and blankets, or without a drawer, with a lighter, open base. The walnut version is made entirely of Polish wood — drawer included. The white and cashmere versions combine wood with high-quality MDF, which gives a deep colour and a smooth surface.
